Points to note for parent/guardian

In order to provide an environment conducive to study, strict discipline is enforced & poor behaviour will not be tolerated.

Attendance can be monitored by checking that your child's journal is stamped on the appropriate day. We would advise parents to do so regularly.

If a Senior student misbehaves he / she may be asked to leave study and return home.

Parents are requested to write notes in the journal if a student needs to leave study early or arrive late.

-All study classes are supervised by teachers of Ashbourne Community School and a strict code of discipline is enforced.

Please Note

We have revised our mobile phone policy in After School Study.

- **Senior** students may access HW online using their phones.
- Junior students may access HW on line for the first hour only.
- To ensure that phones are used appropriately students must hand over their phone if asked to do so by the supervising teacher.
- Any misuse of this accommodation will lead to the student forfeiting his / her place in study.
- We will review this accommodation at the end of each term.
