## School Book Scheme

### 2025-2026

#### Textbooks & Novels

I, the Parent/Guardian of \_\_\_\_\_, confirm I have received all the relevant textbooks & novels for my child from Ashbourne Community School for the 2025/2026 academic year.

- I acknowledge that these textbooks & novels remain the property of the school and must be maintained in a good condition while my child is in possession of them.
- I acknowledge that I am liable for any damage (including graffiti) that may be caused to the book (beyond reasonable wear and tear).
- I acknowledge that I must renumerate the school for any loss of textbooks, including the cost of labelling and covering the book.
- The school reserves the right to contact you regarding the condition of your child's textbooks & novels, where you may be asked to purchase a replacement, if the school deems this necessary.
- The textbooks & novels must be returned to the school at the end of your child's time in the school, whether leaving the school to another school, or on completion of Junior or Senior Cycle.
- Workbooks have also been provided by Ashbourne Community School. Students may write in these workbooks, but they must also be kept in a good condition. Students will not return these workbooks to the school.
- A record of the textbooks given to each student is recorded on the online book scanning system operated by the school.

#### Stationery

Students will receive a pack of stationery items from the school once. This list of stationery is based on the Department of Education's mandatory list of stationery for students, which has been amended (as per Department of Education guidelines) to meet individual subject needs in Ashbourne Community School.

If your child misplaces any item, the school will not offer replacements and the cost of replacing these items falls to the parent/guardian.

The list of stationery provided to students (which depends on year of study) is available to view on the school's website ([www.ashcom.ie](http://www.ashcom.ie)). Some stationery items are specific to optional subjects; therefore not all students will receive all items listed.

I confirm I have received the relevant textbooks and stationery from Ashbourne Community School for my child.
